

Projekt „Zagraniczna mobilność kadry edukacji dorosłych zapewni wysoką jakość i europejskie standardy w pracy Centrum”

W dniach 1-15 lipca 2017 roku nauczyciele Centrum Kształcenia Ustawicznego w Toruniu wyjechali do Irlandii Północnej na kurs metodyczny w ramach projektu „Zagraniczna mobilność kadry edukacji dorosłych zapewni wysoką jakość i europejskie standardy w pracy Centrum” (Nr projektu: 2016-1-PL01-KA104-025027). Kurs metodyczny, w którym braliśmy udział obejmował zajęcia takie jak:

- Wprowadzenie do CLIL
- Metodologia CLIL
- Organizacja lekcji i motywowanie uczniów
- Nowoczesne techniki i podejścia
- Korygowanie błędów
- Blended learning i wykorzystanie TIK
- Praktyczne sposoby nauczania wymowy
- Kreatywne sposoby nauczania gramatyki
- Doskonalenie umiejętności mówienia
- Doskonalenie umiejętności czytania
- Kreatywne sposoby nauczania słownictwa
- Ćwiczenie umiejętności pisania
- Zajęcia z wykorzystaniem muzyki i piosenek
- Doskonalenie umiejętności słuchania

Dodatkowo mieliśmy możliwość brać udział w warsztatach:

- System edukacji w Irlandii Północnej
- Kultura Irlandii Północnej
- Warsztaty tańca irlandzkiego

Celem projektu było m.in.

Erasmus+

- podniesienie jakości działań edukacyjnych Centrum, w zakresie nauczania języków obcych,
- podniesienie kompetencji zawodowych nauczycieli w zakresie metodyki nauczania języka obcego dorosłych,
- poznanie nowych innowacyjnych metod nauczania języków obcych dorosłych – metoda CLIL,
- podniesienie kompetencji informatycznych w zakresie wykorzystania ICT w edukacji niezawodowej dorosłych,
- poznanie nowych i skutecznych metod nauczania języków obcych oraz motywowania do nauki dorosłych słuchaczy,
- rozwijanie kompetencji nauczycieli związanych z umiejętnością uczenia się i nauczania, elastycznością w działaniu i myśleniu, otwartością i umiejętnością reagowania na zachodzące zmiany,
- poznanie nowoczesnych i innowacyjnych środków dydaktycznych, poznanie bazy dydaktycznej pracowni językowych oraz sposoby jej wykorzystywania w procesie nauczania języków,
- nauczyciele języków obcych podniosą swoje kompetencje zawodowe w zakresie metodyki nauczania języka angielskiego z wykorzystaniem ICT, nowych technik pracy ze słuchaczem szkół dla dorosłych.

Metodologia CLIL

Metoda CLIL oparta jest na zintegrowanym nauczaniu przedmiotu i języka obcego, w której kompetencje językowe rozwijane są niejako „przy okazji” przekazywania treści z innych przedmiotów np. historii, geografii etc.

W tej metodzie uczeń wykorzystuje swoje umiejętności językowe w celu pozyskania informacji związanych z nauczaniem przedmiotem. Do istotnych cech tej metody należą, np.:

- praca w parach i grupach – zwłaszcza w ramach realizacji projektu
- stosowanie nowoczesnych technologii (umożliwiających zobrazowanie nauczanych treści).

Źródło: *CLIL w polskich szkołach. Od teorii do praktyki*, “Języki Obce w Szkole” 2010, 6/2010 (red. A. Otwinowska-Kasztelanic, M. Woynarowska-Sołdan)

TiK na lekcji: Ciekawe aplikacje i strony internetowe

Podczas naszej wizyty w North West Academy of English mieliśmy okazję zaobserwować w jaki sposób tamtejsi nauczyciele wykorzystują laptopy, tablety oraz wszelkiego rodzaju aplikacje i strony internetowe podczas swoich zajęć. Podzielili się oni najciekawszymi linkami. Prezentujemy je w niniejszej publikacji.

Frankfurt International School - esl.fis.edu

Strona zawiera bogatą bazę interaktywnych ćwiczeń do wykonywania online. Przykładowe typy zadań do poszczególnych umiejętności to:

Czytanie

Uzupełnianie luk

Wielokrotny wybór

Wyszukiwanie zdania z główną myślą tekstu

Wyszukiwanie zdania nie pasującego do reszty tekstu

Szybkie czytanie (wyszukiwanie głównej myśli tekstu - skimming oraz wyszukiwanie konkretnych informacji - scanning)

Pisanie

Poprawianie błędów gramatycznych w tekście lub pojedynczych zdaniach

Rekonstrukcja tekstu (w tekście zostały usunięte spacje, należy je przywrócić)

Dokańczanie zdań

Odpowiadanie na zadane pytania

Układanie zdań z rozsypanek

Uzupełnianie luk

Tworzenie rymów do podanych słów

Pisanie pytań do podanych odpowiedzi

Poprawianie pisowni

Poprawianie nielogicznych zdań

Pisanie łamańców językowych

Wyszukiwanie ukrytych słów w tekście

Gry i zabawy

Wordsearch

Układanie słów z liter zawartych w podanym słowie

Krzyżówki

Wisielec

Gramatyka

[Answers](#)

[Help](#)

- Read the black text below and click the correct answer to the question(s) on the right.
- Click **Check Answer**, then click the arrow top right to go to the next text.

A person whose body cannot produce pigment, or coloring matter, in its organs is called an albino. Albinism is most easily recognized in the skin, hair, and eyes. True albinos have very pale white skin, white hair, and pink eyes. An albino's eyes show up as pink because the tiny red blood vessels in the iris, or colored part of the eye, show through. In most people, the colored iris hides this pinkness.

Albinism is usually inherited from one's parents, passed down in the genes - the tiny chemical particles that carry traits from parents to children. Albinism can occur in animals too. White mice and white rabbits with pink eyes are true albinos. White gorillas and some white horses are albinos.

Q1. What is the name of the body substance that albinos lack?

- ☐ genes
- ☐ albinism
- ☐ pigment
- ☐ iris
- ☐ traits

Q2. What is the name for the part of the eye that in most people is coloured - brown, blue, green, etc.?

- ☐ particles
- ☐ organ
- ☐ vessels
- ☐ iris

- There are 10 grammar mistakes in the text on the right. You have to find them and correct them.
- Click the word that you think is wrong, then write its correction in the box below.
- A mistake may be a missing word. Click the space where you think the missing word should go, then write it in the box below.
- For an analysis of the mistakes, click **See answers**

[Check](#) [Answer](#)

The Titanic was biggest and expensivest ship in the world. He was built in Ireland in 1911. First voyage of the Titanic was from Europe to America. In a ship there were about 1200 passengers. The rich passengers was on the upper decks and the poor passengers on the lower decks. On 14 April 1918 the Titanic hittet an iceberg. The iceberg make a big hole in the side of the Titanic and the ship began to sink. Some people survived because he got into a lifeboat. Many other people died when they fall into the freezing water.

English Club - englishclub.com

Dwa główne działy: Learn English dla uczniów i Teach English dla nauczycieli. Learn English zawiera ćwiczenia z gramatyki, słownictwa, wymowy, ortografii, słuchania, mówienia, czytania i pisania. Teach English dostarcza kart pracy, planów lekcji, pomysłów na ciekawe ćwiczenia.

The screenshot shows the EnglishClub website homepage. At the top, there are four main navigation buttons: 'LEARN ENGLISH for Learners', 'TEACH ENGLISH for Teachers', 'MyEC Members', and 'ESL STORE Learn English faster'. Below these is a banner stating 'since 1997, the world's premier FREE website for learners + teachers of English'. A secondary navigation bar lists various topics: Grammar, Vocabulary, Pronunciation, Listening, Speaking, Reading, and Writing. Below this, a message says 'EnglishClub helps you learn or teach English'. On the left side, there are social media icons for email, Google+, Twitter, and Facebook, followed by a 'Get our FREE newsletter' button. Below that is a quote from Elizabete Cardoso, an EFL Student from Brazil: 'It's great to have as a friend.' - Elizabete Cardoso, EFL Student, Brazil. At the bottom left, there is a large graphic with the text 'EnglishClub.com because people speak English'. The main content area is divided into sections for 'For LEARNERS', 'For TEACHERS', and 'For ALL'. The 'For LEARNERS' section describes fun lessons with quizzes and games for learning grammar, tests and tips on reading, fun topics like sports, movies, and music for building vocabulary, ESL podcasts for listening, plus spelling and pronunciation rules and games, writing and speaking tips, idioms, and slang references. The 'For TEACHERS' section describes free resources including lesson plans, printable ESL worksheets, grammar and vocab classroom handouts, and fun ESL activities and games. The 'For ALL' section describes the ESL Store with useful resources for English learners and teachers, including ebooks and games, and MyEnglishClub with a personal page for blogs, photos, videos, chat, audio, and more. At the bottom, there are three featured content boxes: 'THIS WEEK IN HISTORY' about World Cups and Wars, 'Idiom of the Day' about not being in the dark, and 'Listen to News' about listening to Tara's latest news stories.

TED Ed Ideas worth spreading - ed.ted.com

Strona zawiera lekcje zbudowane na podstawie wykładów i animacji TED. Lekcje składają się z 4 części: watch, think, dig deeper i discuss. Po obejrzeniu filmu, uczniowie odpowiadają na pytania i sprawdzają odpowiedzi. W dziale dig deeper zawarte są rozszerzające informacje do tematu wraz z dodatkowymi linkami do artykułów, podcastów, map itd. Osoby zalogowane na portalu mogą komentować i rozmawiać z innymi uczestnikami lekcji.

Przydatną opcją jest możliwość tworzenia własnych lekcji na podstawie wybranych wykładów TED i dzielenie się nimi z uczniami.

How aspirin was discovered - Krishna Sudhir

398,771
Views

1,754
Questions
Answered

Let's Begin...

4000 years ago, the ancient Sumerians made a surprising discovery: if they scraped the bark off a particular kind of tree and ate it, their pain disappeared. Little did they know that what they'd found was destined to influence the future course of medicine. Krishna Sudhir traces the history of aspirin.

Let's Begin...

In the first of a new TED-Ed series designed to catalyze curiosity, TED Curator Chris Anderson shares his boyhood obsession with quirky questions that seem to have no answers.

1 2 3 4 5 6 7

What's Anderson puzzling over in the realm of religion?

- ☐ A Is there a God?
- ☐ B What happens after we die?
- ☐ C Why do innocent people suffer such terrible things?
- ☐ D Is it possible for more than one religion to be right?
- ☐ E A and C

In the first of a new TED-Ed series designed to catalyze curiosity, TED Curator Chris Anderson shares his boyhood obsession with quirky questions that seem to have no answers.

Additional Resources for you to Explore

1) Ask teachers for their favorite unanswered questions. Create a large display space in your school or in some other public area in your community where people can write down other big questions, and/or identify which of the already-posted questions seems especially intriguing to them. 2) Anderson asks, "Why do so many innocent people and animals suffer terrible things?" Humans have been asking this whopper of a question for almost as long as humans have existed. Explore some of the explanations that have been offered by religious leaders, philosophers, writers and others. Identify three or four viewpoints that seem particularly provocative and different from one another. Contribute these viewpoints to a roundtable discussion of the question. SORT

Original

Erasmus+

Learn/Ucz się

Przeplatają się tutaj dwa zadania: pierwsze - wyświetla się słówko i trzeba wybrać jego odpowiednik (lub obrazek) z czterech dostępnych, drugie - wyświetla się słówko a poniżej trzeba wpisać jego tłumaczenie. System wykrywa czy odpowiedź jest poprawna, jeśli nie, pokazuje jaka powinna być odpowiedź i "męczy" ucznia tak długo, aż odpowiedź zostanie wpisana prawidłowo. Uczeń wykonuje zadanie tak długo aż uzyska 100%.

Erasmus+

Flashcards/Interaktywne fiszki

Uczeń widzi fiszkę ze słowem lub ze słowem i obrazkiem. Równocześnie usłyszy wymowę danego słowa (słowa czytane są za pomocą oprogramowania typu text-to-speech, wymowa jest dobrze odzwierciedlona). Uczeń może powtórzyć słowo za programem, może podać tłumaczenie a następnie kliknąć i odwrócić fiszkę by sprawdzić czy miał rację.

Erasmus+

Write/Pisz

Uczeń widzi słowo i musi wpisać jego tłumaczenie.

Erasmus+

Test

Test, który można wykonać online i sprawdzić odpowiedzi lub pobrać w postaci pliku pdf, wydrukować i zrobić pisemnie (przydatne na kartkówki i testy ze słownictwa).

W teście dostępne są zadania typu: tłumaczenie słownictwa, dopasowywanie, wielokrotny wybór, prawda/fałsz.

The screenshot displays the Quizlet website interface for a test. The top navigation bar is blue with the Quizlet logo, a search icon, a 'Create' button, and 'Log in' and 'Sign up' links. On the left sidebar, there is a 'Back' button, a 'TEST' button with a document icon, and 'Print test' and 'Options' buttons at the bottom. The main content area is titled '4 Written questions'. The first question is '1. sukienka' followed by a yellow input line and the text 'TYPE THE ANSWER'. The second question is '2.' followed by an image of a person's legs in red patterned stockings and black shoes, a black input line, and the text 'TYPE THE ANSWER'. The third question is '3. shoes' followed by an image of a pair of black sneakers.

Erasmus+

Gra - Match/Dopasowywanie

Losowo wybierane są pary słownictwa (np. słówko polskie i jego angielski odpowiednik). Należy jak najszybciej połączyć pary, gdyż w zadaniu jest liczony czas.

Erasmus+

Gra - Gravity/Grawitacja

Spadają asteroidy ze słówkami, które należy jak najszybciej przetłumaczyć. Jeśli asteroid spadnie, program wymusi wpisanie tłumaczenia. Im więcej zdążymy wpisać, tym więcej poziomów przejdziemy, a tym samym asteroidy przyspieszają i utrudniają coraz bardziej wpisywanie tłumaczeń.

Aby wykonywać ćwiczenia nie trzeba się logować na portalu, jednak jeśli chce się mieć możliwość stworzenia własnych zestawów - konieczne jest zalogowanie. Na portalu Quizlet mogą się zalogować zarówno uczniowie i nauczyciele. Można tworzyć klasy, przypisywać im uczniów i zestawy, śledzić aktywność uczniów. Quizlet jest dostępny na komputerze stacjonarnym, tablecie i telefonie.

Duolingo - duolingo.com

Portal do nauki języków obcych w różnych parach językowych. Nauka opiera się o grywalizację, czyli w procesie uczenia wykorzystywane są mechanizmy gier takie jak kolekcjonowanie, rankingi, cele, poziomy, postęp, wyzwania, nagrody i punkty. Uczniowie kolekcjonują punkty za każdą lekcję, następnie odznaki, które pozwalają im odblokować kolejne lekcje i poziomy. Rodzice i nauczyciele mogą śledzić postępy uczniów. Duolingo ma również wbudowany system motywacyjny – rejestruje ile dni uczeń poświęcił na naukę oraz wysyła przypomnienia, aby utrzymać systematyczność. Każda lekcja składa się z różnorodnych zadań ze słuchania, mówienia i pisania.

Duolingo jest dostępne na komputerach stacjonarnych, tabletach i telefonach.

Memrise - memrise.com

Portal do nauki języków obcych w różnych parach językowych. Zasada działania Memrise jest podobna do Duolingo – uczniowie wykonują różnorodne zadania ze słuchania, mówienia, pisania, za które zdobywają punkty i odznaki, przechodzą na coraz wyższe poziomy, uzyskują coraz wyższe miejsca w klasyfikacji ogólnej. Dla zwiększenia motywacji i systematyczności można ustalić dzienny cel gwarantujący dodatkowe punkty i odznaki. Np. 5 minut nauki dziennie to 1500 dodatkowych punktów, 15 minut dziennie to 6 tys. punktów, natomiast 45 minut dziennie to 20 tys. punktów!

Ciekawymi narzędziami są Streak Clock – zegar odliczający czas pozostały do osiągnięcia dziennego celu, oraz Learning Stats – statystyki uczenia się.

Na Memrise można korzystać z zestawów zadań przygotowanych przez portal, ale również przez innych użytkowników. Nauczyciele mogą stworzyć własne kursy.

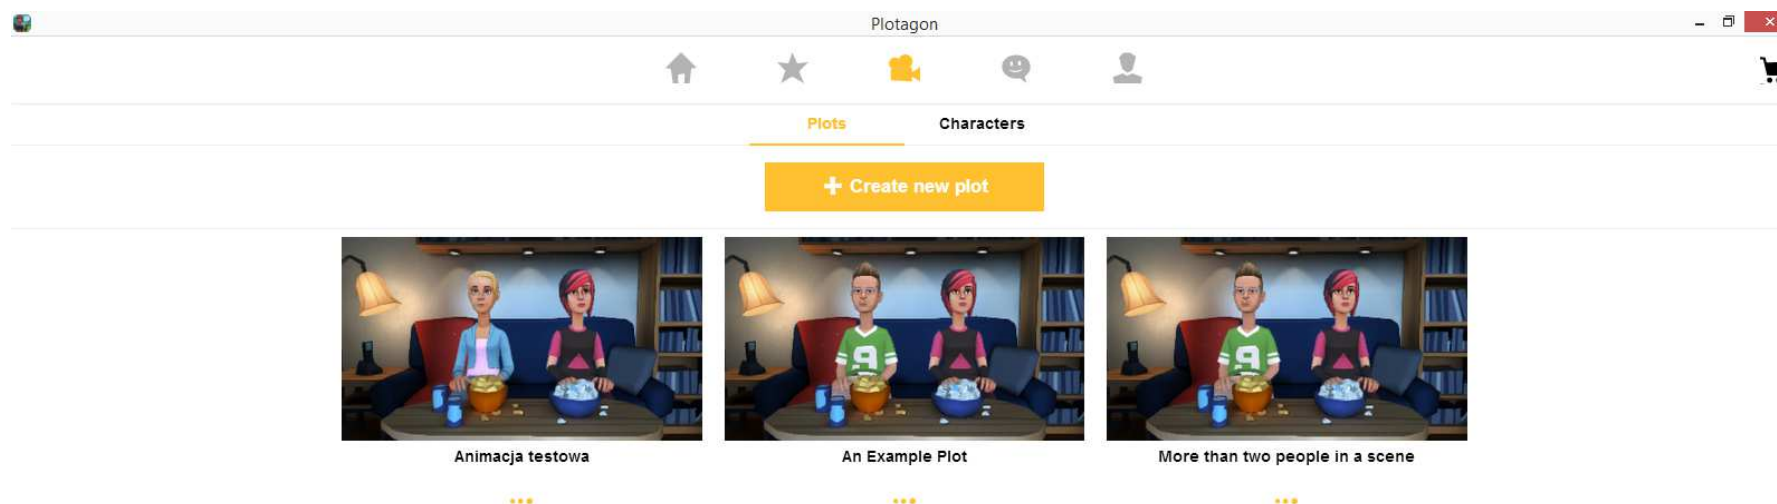

Erasmus+

Plotagon - plotagon.com

Aplikacja na tablety i komputery umożliwiająca tworzenie własnych postaci i animacji. Uczniowie mogą napisać własne dialogi, które postacie animacji będą wypowiadać. Uczniowie mogą również użyć swoich głosów postaciom. Następnie mogą wygenerować animację i umieścić ją na stronie internetowej, udostępnić na facebooku, portalu youtube czy blogu.
